

SERVICES FOR THE ELDERLY

INTEGRATED SERVICES. IMPROVED OUTCOMES.

Everything we do as a company is with the aim of achieving the best possible results for our clients and customers. We employ the very best people, practices and processes, with a focus on improving the daily lives of Canadians.

In addition to our national network of 130 community-based Outpatient Clinics, we offer a wide range of specialized services including Hospital, Eldercare, Home Health, Independent Assessment, Occupational Therapy, Workplace, Medical and a specialized Autism facility.

Our clients are our first priority, and it shows in everything we do.

Helping you be safe and
independent at home and in
your community

CBI CBI HEALTH GROUP

stay independent longer

HOW WE HELP

CBI's Occupational Therapists can help make it safe and feasible for clients with physical and/or cognitive challenges to maintain their independence at home and within the community. We also help make it safe for clients to maintain their driving independence, and help them stay mobile longer.

HOME MODIFICATION SERVICES

What we do:

- Suggest simple environmental changes that help conserve energy and simplify daily activities
- Recommend assistive equipment to maximize safety and independence while performing daily tasks
- Provide bridging strategies to minimize memory and attention deficits
- Ensure proper set up of equipment and use of work simplification strategies

*we are experts at
maximizing safety and
helping you keep your
independence*

DRIVER ASSESSMENT AND TREATMENT

What we do:

- Provide an objective assessment of an individual's physical, cognitive and actual ability to be safe on the road
- Provide strategies, training and on-road instruction to improve driving safety
- Review and implement alternative transportation strategies for those who are no longer safe to drive

WHEELCHAIR, SCOOTER AND MOBILITY ASSESSMENTS

What we do:

- Help pick the right type of mobility device to fit your needs and lifestyle
- Access government funding to help pay for equipment when applicable
- Train in the safe use and maintenance of your new mobility device
