

## WE CAN HELP

You can count on our team to:

- Analyze and determine solutions to meet each client's health and recovery needs.
- Develop cost-effective strategies that consider the individual needs of each client.
- Provide services where and when you need them.
- Implement best practice evidence concerning health, injury, and disability management strategies.

### INTEGRATED SERVICES. IMPROVED OUTCOMES.

Everything we do as a company is with the aim of achieving the best possible results for our clients and customers. We employ the very best people, practices and processes, with a focus on improving the daily lives of Canadians.

In addition to our national network of 130 community-based Outpatient Clinics, we offer a wide range of specialized services including Hospital, Eldercare, Home Health, Independent Assessment, Occupational Therapy, Workplace, Medical and a specialized Autism facility.

Our clients are our first priority, and it shows in everything we do.

## OCCUPATIONAL THERAPY SERVICES

*a simple choice for  
complex care*

**CBI** CBI HEALTH GROUP

# *client-centered, multi-disciplinary care*

## WHO WE ARE

CBI Health Group has been providing occupational therapy and rehabilitation services for clients with complex injuries since 1994.

Our mission is to provide high quality rehabilitation services that minimize disability and promote participation in life activities at home, school, work, and within the community.

Our services are readily available throughout Ontario.

### *We are*

an innovative and progressive team of professionals, experienced in the assessment of complex injuries. All of our Occupational Therapists are registered members of the College of Occupational Therapists of Ontario.

### *our approach*

is client-centered and emphasizes evidence-based practice to ensure our recommendations are highly defensible and consistent with current research. We are dedicated to providing the highest quality of rehabilitation.
