

HAND THERAPY & SPLINTING

INTEGRATED SERVICES. IMPROVED OUTCOMES.

Everything we do as a company is with the aim of achieving the best possible results for our clients and customers. We employ the very best people, practices and processes, with a focus on improving the daily lives of Canadians.

In addition to our national network of 130 community-based Outpatient Clinics, we offer a wide range of specialized services including Hospital, Eldercare, Home Health, Independent Assessment, Occupational Therapy, Workplace, Medical and a specialized Autism facility.

Our clients are our first priority, and it shows in everything we do.
